Good morning Joy. I wanted to follow up to make sure you were able to open the scanned form. I can resend it if you are not able to open it. Thanks.

Thank you for the information. I have attached a scanned copy of the signed form and email with OML violation. Please let me know if you are unable to open the image. There are 5 pages.

Also, please let me know if you also need the original mailed to you.

Thank you.

Ms. Tram: The Attorney General's Office is happy to investigate complaints regarding potential violations of the open meeting laws. However, we do not accept unsigned complaints. Please fill out and sign the form provided on our website <https://www.azag.gov/complaints/omlet> . You may then return the form either by scanning it and sending it in electronically or by mailing it in. An attorney will then be assigned to investigate. Thank you for your interest in open government!

Hello Ms. Hernbrode. I am a current governing board member of Gilbert Public Schools. I have attached an email that was sent from Julie Smith, one of our fellow board members, to the whole board which I believe is a Open Meeting Law violation.

Can you please look into this situation?

Thank you.
